Ultimately, we don't know where Yuina went away...

After the escape of my favorite starstruck of my shows

I feel a bit empty...

What is what he wants?
Hoenir ... have you something more that say me?
It seems that he is the one thot he allows to my children that they should do this type of things

Yes, it was when all that happened before us. It was indeed very dangerous
Yes, but why I?
Loki do you remember that I said to you that Hoenir wanted to put you in the same plan?
But...
When Mezi and Magni did it they were in a very serious behavior. They were sure that it was for the good of the world of the gods.
What does do that they create so much it?
COME ON, GET A TIME!

WHY SO MUCH NOISE?
IT WAS OPEN, CLARICE!
MISS, YOU CANNOT ENTER A HOUSE THAT IS NOT HIS LIKE THAT SHOUTING!
CLARICE, YOU DO NOT SEE THAT THIS OF MY STUDIES IS NOT WORKING!

THEN, ONLY I STILL HAVE TO DEFEAT YOU
JAM
We should do something

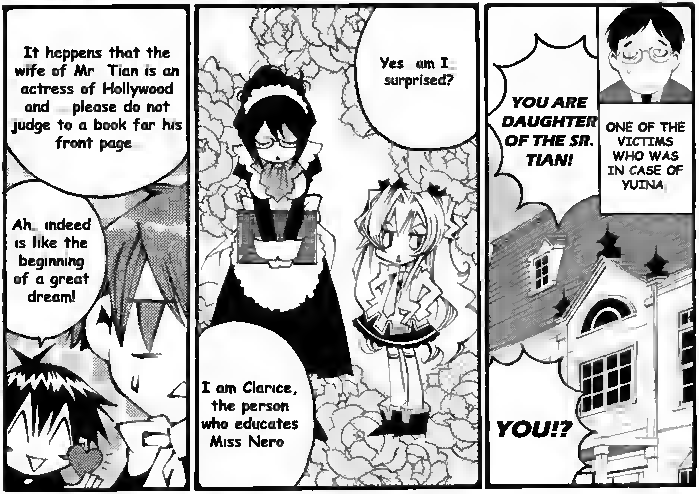
*She called "corpse" to the maid that go with she



It heppens that the wife of Mr Tian is an actress of Hollywood and please do not judge to a book far his front page
Ah indeed is like the beginning of a great dream!
Yes am I surprised?
I am Clarice, the person who educates Miss Nero
YOU ARE DAUGHTER OF THE SR. TIAN!
ONE OF THE VICTIMS WHO WAS IN CASE OF YUINA
YOU!?

It was a hard blow for my father he entered a great depression He could not support it...
Actually, my mother escaped of house ..
Then? You wait help which ta find your mother?

Well, she always was saying that she was feeling claustrophobic
Now that I think she can be in problems
Stay here Narugami

Hey Loki do not I believe that this one shirt belongs to man... and you?
Why hide something like this in a place like this?
What is this? Why there's a shirt would wash in a place as this one?
And this? Red spots..
Are you having adventures Mr.. Tian?
WHAT?! HOW IT CAN BE?!
This shirt has a brand of labial pencil... That's an idiot...
Oh, here there are many things! Even tickets to cinema porn for two persons!
And a receipt for a dinner!
HEY, HEY ME NOOO!!
GIVE ME A BREAK!
Perhaps have I face of envy?

……
Only they are all misunderstandings! There is no need to do! They can call my wife!
Eh... Sir?
Nobody understands that it is a great mistake!
Were you the one who accused your father of an adventure?
!?
Then, for that you knew that it was a brand of labial pencil?
……
The others were ignorant of this
N-NO!
I DID NOT DO IT!

So in order to punish your father, you left of side your mother in this plan

You wanted to follow Yuina's example but as is it happened to her you did not measure the consequences and the hurt that you could produce

And you used his guilt in order that it was allowing you to find your mother

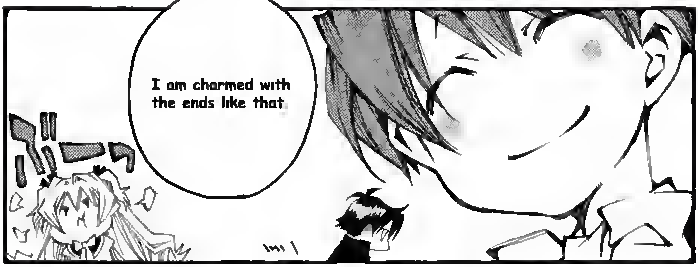
Ah! He is my father only I do not like to see the separated two, it is quite

In addition, it is ugly to see always your father with the same with rings under the eyes look

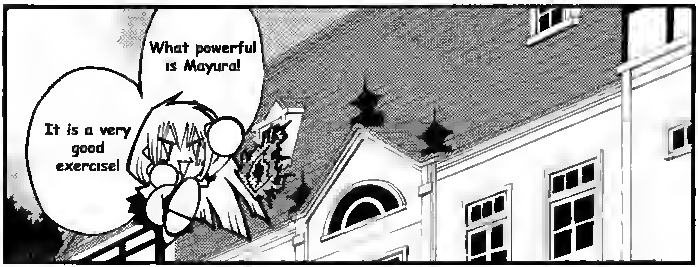
AY! MISS NERO!

YOUR MOTHER CALLED FOR TELEPHONE! IT SEEMS THAT IT WAS VERY HAPPY PLAYING THERE IN LAS VEGAS

HE SAID THAT HE BOUGHT MANY THINGS AND IN ADDITION, I WENT TO LOOK FOR HER TO THE AIRPORT



I am charmed with the ends like that



What powerful is Mayura!
It is a very good exercise!

Excuse me, it is that Miss Nero forgot to say something and while to strike me.
Miss Nero must understand that Clarice only wants to teach-

Hello, thank you for it of before
YOU!?
Wow, that I like so pretty girl is like a little girl

Yes, my father does not leave me to learn the martial arts.
Yes, but the matriculation is very expensive
Excuse me
Who will be?

DO IT, AND THEN GIVE HIM AN CHANCE!
USE THE FORCE TO MAKE HIM TO KNOW!
ゴッ
And why me? What I have to see with this?
EVERYTHING IS YOUR FAULT, MY MOTHER WENT AWAY AGAIN ANO THIS TIME WENT AWAY WITH MY FATHER!
DO SOMETHING! OETECTIVE GOOD-FOR NOTHING!
In fact only...
Please Miss Nero....
.....!

PLEASE, LEAVE ME BE CALL YOU A MASTER!
SHE HAS GREAT FORCE!
MASTER!
Will the presence of the rebellious princess Nero bring much more chaos?

Matantei Loki Ragnarok - Shin Sekai no Kagami

hello. How are you?. I hope very well, I am writing here to tell you not to worry. I say this because we have had some rather negative reviews, but that building was not much consistency in the narrative of the paginas.Pues I should clarify that these chapters are translated from Spanish to English is not our native language, but do not worry improvement and there will be from the next chapter, I mean chapter 9.

If you have doubts about the manga or anime can contact the website that referred my friend. She is translating my English translations. Pasiencia Tenganle please , remember always eventually improves. I know I'm the living prube.

or this is another page . . . also spoke about the manga or anime is both Spanish and English ...
